It's rare that I have any trouble following them. This book looks like the patterns were written in another language and translated to English by someone who has never seen a knitting needle except for pictures is books. I couldn't even start a single project, let alone follow it to completion.0 of 0 people found the following review helpful. Pictures are good, and I have found a number of scarfs ...By Lindaseems well written, need to be able to read charts. Pictures are good, and I have founda number of scarfs I want to do.0 of 0 people found the following review helpful. Good choice!By CherylWell received Christmas present
