In *Knitbot Essentials*, designer Hannah Fettig offers nine of her most popular knitwear designs in one collection. The book features knitting patterns for five easy-going swingy cardigans, a live-in-it cozy pullover, and three must-have accessories. The book includes a primer on creating drape in knitwear along with some of Hannah's favorite knitting techniques.

Whether you are interested in Fettig's lovely sweaters or one of the quick accessories, I have no doubt that your first *Knitbot* project will not be your last. Buy the book it's an investment you won't regret. Knitting Sarah About the Author
