**Sara Elizabeth Kellner : Knits for Kitties: 25 Knitting Patterns for Making Cat Toys** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Knits for Kitties: 25 Knitting Patterns for Making Cat Toys:

5 of 5 people found the following review helpful. Rabbit Hole Knits Scores Again! By ElmNot just a book of MANY clever patterns for cat toys by a designer who deserves notice (see Rabbitholeknits.com). This is also a book full of pictures of beautiful cats playing with her fun toys. This book is well worth the price. 1 of 1 people found the following review helpful. Sweet Toys By C. Mongeon Knits for Kitties: 25 Knitting Patterns for Making Cat Toys Although I am allergic to cats, I appreciate the thought and creativity that went into these patterns. My Chi-mix loves to chase lizards so I made the lizard for him. He loved it and immediately ripped off its legs. Some of the patterns are easy and some more difficult. If you are making the hummingbird I suggest using steel DPN's because my bamboo ones all broke doing two stitches together with worsted weight wool. I give presents to my relatives cats for Christmas, so I will use

this book. 1 of 1 people found the following review helpful. Much more than a cat toy book  
By Zita  
Excellent how-to book. The delightful patterns are clearly written out and easy to follow. Materials equipment are commented on and pictured. Basic stitches and advanced techniques are explained and illustrated. Knit, purl, increases, decreases, short rows, picking up stitches, embroidery are all covered in wonderful detail. I love this book and think it would make a great gift.

Does your cat spend her days asleep in a kitty coma? Want to bring out the little kitten in your catatonic Tom? Surprise and delight your cat with this collection of knit cat toy patterns that will bring your kitty roaring back to life. From dragonflies to rolling dice, crazy caterpillars and raccoon tails, your cat will be on the prowl again, looking for fun in all the right places. Knits for Kittys features: 25 charming cat toy patterns, including: There's a Mouse in the House, Jingle-bell Ball, Baby Bumblebee, Fish Out of Water, Snake in the Grass, Butterfly Kisses, Leaping Lizard, and more. A step-by-step guide to the stitches and techniques in the patterns. Suggestions for extra embellishments, such as bells, feathers, catnip, and more. Basic materials required, such as yarn, knitting needles, and scissors. There are patterns that are perfect for all abilities, specially designed by an experienced knit toy designer. It's a fun way to delight your furry friend for all of her nine lives.

"This fun book by knit toy designer Sarah Elizabeth Kellner features 25 knit toy patterns for your favorite feline friend--from dragonflies, ladybugs, and other critters to cute little mittens, kitty heads, and even donuts! These patterns are perfect for knitters of all abilities..."--Catster Magazine
