Susan Neall, Pati Palmer : Knits for Real People: Fitting and Sewing Fashion Knit Fabrics (Sewing for Real People series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Knits for Real People: Fitting and Sewing Fashion Knit Fabrics (Sewing for Real People series):

4 of 4 people found the following review helpful. Love this book!By jedI made many of the adjustments described and illustrated and have a beautiful knit top that fits me perfectly. Everything is easy to understand and I appreciate the tips given and the reasoning behind the various techniques. The simple pattern changes make all the difference to a comfortable fit. Now I will be able to sew stylish and age appropriate clothing for my very tall and thin granddaughter. I may wear this book out!3 of 3 people found the following review helpful. One of the best books on KnitsBy

BunnyInstructions are very good along with very helpful pictures.3 of 3 people found the following review helpful. Great information.By gay denesseI learned a lot using this book. I haven't resized any patterns yet, but I was able to get started sewing on knits. It will be my go to reference book for sewing knits.

Unsure how to sew the new knits so theyll look great and fit better than ready-to-wear? Knits for Real People helps readers sort out the differences in fabric types and explains the fitting and sewing techniques for each. Photographs of knit fashions from McCalls, Vogue, and Butterick pattern companies provide inspiration throughout the book and illustrate the many types of knits. The many techniques explained include: layout, cutting, and marking; seaming techniques using sewing machines and sergers, including the use of the differential feed feature; creative embellishments, including piping, flounces, peepers, and decorative serging; neckline and edge finishes, including bands, collars, and bindings; sleeves, hems and closures; and fitting techniques for tops, pants, and activewear. Knit fabrics are very popular in fabric stores and this book helps people take advantage by teaching how to fit patterns for this versatile material.

About the AuthorSusan Neall is the tour coordinator for Sew Inspirational Events. She is a former editor for Australian Stitches magazine and a former craft consultant for Better Homes Gardens magazine. Pati Palmer is the CEO of Palmer/Pletsch Publishing, a designer and consultant for the McCall Pattern Company, and an author of Fit for Real People, Mother Pletschs Painless Sewing, and Pants for Real People. She lives in Portland, Oregon.
