**Joyce Meader : Knitskrieg: A Call to Yarns!: A History of Military Knitting from the 1800s to the Present Day** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knitskrieg: A Call to Yarns!: A History of Military Knitting from the 1800s to the Present Day:

2 of 2 people found the following review helpful. chatty with nice pictures. Not a serious historyBy CustomerThis is an ok introduction to war knitting, chatty with nice pictures. Not a serious history.4 of 4 people found the following review helpful. An intriguing history of wartime knittingBy Elizabeth B.This book is a hoot to read! The author has an amazing collection of historical knit garments and the book is full of photos of sweaters, socks and other knit items made for soldiers in various wars.2 of 2 people found the following review helpful. Five StarsBy CustomerA fantastic book

This book offers a wholly new and unexpected angle on warfare, looking at the role of knitted garments in conflicts over the centuries. From the Crimea and Waterloo to the American Civil War and on into the many wars of the twentieth century, Knitskrieg reveals the surprising prevalence of knitted goods of all kinds in a soldier's kit. Joyce Meader shows us not just socks and vests, but splints, smoking caps, Lord Cardigan's famous sweater, and much more. It includes facsimile knitting patterns, as well, enabling today's knitters to bring a little bit of history to life.

"A delightful hodgepodge of information, artifact, propaganda and personality, Knitskrieg! A Call to Yarns...examines the challenges of expense, shortages and human weariness, all in the face of increasingly rapacious military need. The book is filled with absolutely fascinating stories, people, artifacts and research, and it fills a needed niche as it privileges and deeply explores womens contributions to various war efforts as providers of uniquely female 'familial-industrial' artifacts. A Call to Yarns is a captivating read that will surprise and interest an unexpectedly wide audience."
