I've always loved meerkats, and discovering a book full of them ... By carolyn wilson I've always loved meerkats, and discovering a book full of them to knit was a delight! I can't wait to get started. 2 of 2 people found the following review helpful. Cute Book By Simnut I crochet and knit, so this book supplied me with just the right doll clothing for several projects, I did make a meerkat from it, but prefer a crocheted version, because they have a hard time standing up. Well worth the purchase.

Confirming the old adage that big things come in small packages, the compact volumes of this ongoing series offer crafters an easy outlet for their passions be they for fiber arts, sugarcraft, polymer clay, glasswork, papercraft, or jewelry. Emphasizing the simple fun of crafts, each concise resource includes 20 fast-to-finish, easy-to-do projects that

always focus on a single subject or theme.

"The patterns here are in word form rather than charts and are nicely laid out to be easy to read. They are also handsomely illustrated with the finished items in various poses and with funny captions." [www.MyShelf.com](http://www.MyShelf.com)
