Ulla Engquist : Knitting Details, Start to Finish: A Handbook of Simple Tricks, Creative Solutions, and Finishing Techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised Knitting Details, Start to Finish: A Handbook of Simple Tricks, Creative Solutions, and Finishing Techniques:

3 of 3 people found the following review helpful. Excellent Resource!By GraehoundGreat resource for all of the tricky bits that can make or break the success of a knitted product. The information is very clear, the digrammes well-mapped, and the language easy to understand, even for a novice. A plethora of examples give visual demonstration of more obscure techniques and make this not only an excellent reference for finishing skills, but also potentially undiscovered variants for those finishing components to newer knitters. Definitely worth the money!!0 of 0 people found the following review helpful. Great start to finishBy Susan WilkinsGreat book with lots of in-depth instructions

and hints on how to get the best results from your knitting. Wish I would have had this book years ago! If you're looking for detailed instructions on finishing a project, this is the book you need. 0 of 0 people found the following review helpful. Five Stars By Barbara F. Bryan-Wilson Very detailed and good for even the experienced knitter!

Knitting is a fun, relaxing hobby until you meet the devil in the details! What kind of cast-on should you use firm and stable, or flexible and stretchy? Will your edge stitches be hidden by seams or bands, or is the evenness of your cuffs at stake? Are you ever going to be able to figure out how to attach this sleeve without any funny bumps popping up at the shoulder? *Knitting Details, Start to Finish* answers the questions you never even knew you needed to ask. Discover the ease of planning your projects before you begin to save you headaches later; learn tips and tricks to help you fix small errors and mistakes during finishing; try out a variety of cast-on and bind-off techniques, edgings, and finishing strategies. With clear illustrations, full-color photographs of sample swatches, and a detailed table of contents to help you find exactly what you're looking for, this book is sure to become an essential part of any knitters library. Be curious and dare to challenge yourself with this handbook at your side.

The concept: Overcome knitting's devilish details armed with this treasure-trove of knowledge, which includes clever tricks and solutions for every problem, from casting on to weaving in ends. Photo finish: This book leaves no stone unturned. Each technique explanation is accompanied by illustrations and/or color photos. Newbie-friendly? Geared more toward the maker who is comfortable with improvisation, this is still a great resource for all knitters to have in their knitting arsenals. Choosing your own adventure: If you're looking to experiment with changing up a pattern to suit your preferences, this book is a great jumping-off point. Techniques: A wide variety of methods for casting on, binding off, edging, increasing and decreasing, ribbing, seaming, shaping for necks and armholes, short rows and more. *Knit Simple Magazine*
