**Bonnie Gosse, Jill Allerton : Knitting for Children: A second book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knitting for Children: A second book:

0 of 0 people found the following review helpful. Five Stars By Tammy Griggs Fantastic book! 0 of 0 people found the following review helpful. Great! By L A Read This is a great little book for knitting for children, or with children. We use it all the time. Great! 4 of 6 people found the following review helpful. Knitting for Children By Carrie C. Fauteux This item was listed as "used" in "good" condition. I would have to say that this book looks brand spanking new. As this is a gift for my young daughter I am extremely happy with the condition it is in. Much better than expected from listed description. I would most happily purchase from this seller again! As far as the book review, since this is a gift, I won't be using it. Having looked through it though, the patterns seem wonderful. There are plenty of items in here to entice a youngster to learn to knit. From toys to simple knit clothing items. I think my daughter will enjoy this very much!

Following the success of A First Book of Knitting for Children, in the second book the authors bring many new skills and more patterns for children and adults to make. Each pattern is given with clear instructions and illustrated by artistic photographs. Color illustrations throughout. Recommended for all ages!

About the Author Bonnie Gosse is an experienced Vancouver teacher and has always been interested in learning and teaching crafts. Soapstone Carving follows on her recent success with Keep it Green, an environmental board game.
