should have looked at the number of pages, but it looks EXACTLY like my friend's and I thought it was the full edition. I hope I can return it. 3 of 3 people found the following review helpful. and someone recently recommended Knitting for Dummies By Nicole I've been trying to teach myself to knit for years, and someone recently recommended Knitting for Dummies. The instructions and diagrams are clear and easy to understand, and the small pocket-size edition is perfect for sticking in my project bag and taking on the go with me. 0 of 0 people found the following review helpful. Five Stars By Norma F Barta A great book for knitters. There is always something new to learn. This book covers just about everything.
