ebooks don't have pictures which can be hard to understand when you never knit before , also the book is pretty simple to understand , i don't knit and after looking at it i found it easy to understand , my mother is now addict to knit and looking for classes even to perfect her skills!34 of 35 people found the following review helpful. Arm knitting for funBy CathyI found the book interesting and fun. The instructions were simple to follow and the images helped a lot. If only I had yarn with me while I was reading, I would have started arm knitting already. I didn't know there are a lot of stitches that you can use in arm knitting. Arm knitting can also help you earn money. If you've mastered the skill of arm knitting, you can sell your products.33 of 34 people found the following review helpful. ... now so this book couldn't have come at a better time! The scarves Kitty teaches us how to ...By S JWe're heading into Winter here now so this book couldn't have come at a better time! The scarves Kitty teaches us how to knit look aesthetically pleasing and are relatively easy to make, especially with her step by step instructions (for the record I had very very limited knitting experience prior to reading this book on my Kindle). Kitty really has done it again! Beginner friendly and fun!

"So easy to follow! Arm Knitting is a super fun and easy book to read and understand. It gives you clear step-by-step instructions, easy to learn techniques, beautiful colored photos, and helpful tips to make your Arm Knitting experience an enjoyable one. This is also a great go to knitting activity book for people of all ages, so grab a ball of yarn and get at it." -- Maria Clarke"Excellent book filled with tons of great information on how to Arm Knit! If you would like to learn more about arm knitting, you should really check out this book as it will give you great insight!" -- Brandon Mayer"This book has been written in a lucid manner by the author to make it easy even for a beginner. You will be surprised to find that you can knit beautiful items in no time at all." -- Customer"This book is for the guys who tried the traditional way of knitting and find them frustrated. This book teaches us how to use our arms to make extraordinary scarves and blankets in very less time. It is a step by step process of knitting with good quality pictures." -- Stephanie H. Turner"Love knitting? Here's the book that will teach you knitting. It has taught me many tips to knit scarves, blanket, and mufflers. After reading this book I learned that I don't need any tool for knitting as my hands are my tool. I already started to knit a blanket and I hope I'll be able to complete it soon. Definitely a must read book for those who love knitting using different methods. Recommended." -- Steven RutterAbout the AuthorExpress yourself. Whether it's crafting, decorating my home, or helping my kids with school projects I enjoy expressing myself. I believe it's my duty and my obligation to inspire others. I hope that others can take these ideas I have put out, and mold them to fit their own. "In crafts there are no mistakes. It is your own unique creation."
