This book has been a tremendous help to me as I am just really getting into lace knitting and all I really knew was knit and purl. I have this sitting out and its become a well used book!

The Harmony Guides are a series of highly practical, illustrated guides to hand knitting and crochet, explaining basic techniques from start to finish. This volume is a complete "how-to" of hand knitting, including a wealth of professional tips and useful working methods.

Originally published as "The Harmony Guide to Knitting Stiches" (Volumes 1-4) and the "Harmony Guide to Aran Knitting" (Volume 5), this series is notable for its clear color illustrations and photos of each stitch pattern included. In addition, Volumes 4 and 5 offer both written instructions and charts for stitch patterns.
