After flipping through this book a few times (and loving it each time) I find that the projects have stayed with me. When I was shopping at Costco last weekend I saw a stack of white towels and immediately thought "I could use these for that cute beach towel stamping project," and when I was at Ikea I wanted to buy all the terra cotta pots so I could stamp them for Christmas gifts. What I value even more than the quality of each of these projects is how approachable this book is. This can be your first time stenciling something and feel confident that you'll have a great end result. This book isn't about doing everything perfectly; it's about making beautiful things and enjoying yourself in the process. As Anna Joyce writes, "This book is meant to be joyous. It is about trying something new, embracing 'imperfections,' and most of all, taking the time to create by hand." 2 of 2

I am especially excited about the wall stencils - so much cheaper and more original than wallpaper! At my daughter's recent birthday party, the kids played while the moms passed this book around, picked up from the coffee table. I ordered another one for my sister for her birthday.1 of 1 people found the following review helpful. The genius of the artist is so amazing and fun to ponderBy zeldaThis book is an inspiring piece of work. The genius of the artist is so amazing and fun to ponder. I wondered, could I do any of these things then thought: she gave me all the ways to try it out! Nicely prepared layout, pictures, drawings, directions. I recommend.

Textile artist Anna Joyces design process is intuitive, relaxed, and rooted in the belief that we should live with color and pattern every day. Inspired by vintage fabric, folk art, shapes in nature, and exciting new color combinations, Joyces distinctive projects showcase the beauty of the unexpected and the mark of the artists hand. In Stamp Stencil Paint, Joyce shares her signature hand-printing techniques and infectious enthusiasm for adding patterns to ready-made surfaces such as fabric, ceramics, paper, leather, furniture, walls, and more. Following beautiful step-by-step photography, crafters learn new, easy skills to stamp, stencil, and hand-paint wonderful projects for their homes, wardrobes, families, and friends.

In Stamp Stencil Paint, Anna Joyce makes the traditional hand-printing techniques we grew up with feel fresh and modern again. Her love of color and pattern is inspiring and makes me want to stop what I'm doing and start a project!
