**Jan Beaney, Jean Littlejohn : Stitch Rhythms Patterns** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stitch Rhythms Patterns:

Even after writing many books, a lot of them I have, you would think that they have nothing more to say. Not true. Each book examines new techniques and/or expands others and that is true of Stitch Rhythms Patterns. There is also a stitch guide in the back with excellent diagrams.0 of 0 people found the following review helpful. Five StarsBy randi j winterswonderful book! very inspiring
