Kim Hargreaves : Storm before purchasing it in order to gauge whether or not it would be worth my time, and all praised Storm:

By Dangerous when Cooking The must knit for me in here is a dead-simple moss st cardigan sweater jacket in a huge (bulky gauge 12 sts/4 in.) yarn with front pockets and just enough shaping. However there are a number of other must-knits crowding into my awareness, e.g. two silhouettes of a fast-knitting Guernsey tunic-length sweater, one loose the other form-fitting, several henley-style 1/2 button sweaters in an angora (and a different yarn), great versatile sweater; a spectacular aran cabled sweater dress, but you could just knit it from the length you wanted in Rowan's gorgeous chainette Lima alpaca yarn, a chunky Nordic style Fair Isle yoke on a longer cardigan (I'll add inset pockets); a lush-looking Grampa cardigan sweater in broken rib; a sexy deep v-neck sweater in angora haze, a new yarn; a simple elegant sweater/cardigan in garter stitch with interesting openwork garter stitch edging, a wide

ribbed short shoulder wrap, like a big cosy tube to hug you; hats and scarves as well as a color work plaid sweater. There are redundant patterns, same thing with slight variations rather than completely different projects but still...There are 'young' designs I could see in Williamsburg, NY, as well as being designs that would flatter an older woman with some simple alterations in yarn choice/silhouette. It's expensive for the number of projects but I would say there are more desirable, versatile and doable garments in this than others that have filler of numerous shrugs and oddities to give the impression of a lot of options. Knit rowan dot com provides photos of all the included projects in their K Hargreaves books like this one. For me, not a big color work knitter, this was full of relatively fast, fun and appealing wearable garments. 0 of 0 people found the following review helpful. Five Stars By Kristine Southgate Love her books and design, beautiful and feminine with a touch of romance!

Storm Twenty-one designs for adults, garments accessories by Kim Hargreaves Yarns: Rowan Tweed, Big Wool, Alpaca Cotton, Pure Wool Aran, Angora Haze, Lima, Kid Classic, Kidsilk Haze, Baby Alpaca DK, Wool Cotton, Fine Lace, Cocoon A collection of contrasts and attitude, at first glance it appears slightly tough, slightly edgy, however look a little deeper and you'll find that the pieces are true classics and have a soft feminine side. In a story where delicate fabrics of satin and lace work alongside boyish plaid and sturdy biker boots, expect the unexpected.
