Get sewing.0 of 0 people found the following review helpful. Great book for beginners.By Cheryl B.Instructions are clear. There are visual instructions also! Easy to follow. Great fun and easy patterns to make.Details on how to press seams as well as tricks to make sewing easier and faster!4 of 4 people found the following review helpful. Quick inventive Jelly Roll quiltsBy kajukenbo womanI got the

ebook after buying the paperback from . Lots of great quilts to make with jelly roll strips. If you have a large stash, you can just get cutting the strips and make beautiful quilts!

This exciting collection features fresh, bright designs inspired by traditional blocks, as well as a few all-new block designs. Discover a wide variety of patterns for everyone from novices to experts--at a terrific value. Use convenient precut 2 1/2" strips or dive into your stash--and create a quilt that's uniquely your own. Select from 18 fun projects and try new techniques such as flying geese, half-square triangles, triangle corners, chain piecing, and strip piecing. Enhance your quilt design by making clever use of leftover strips in pieced borders and scrappy bindings.

From the Inside Flap: Start with precut strips or dive into your stash for any of these 18 fabulous quilts. You'll be done in no time! Explore half-square triangles, folded corners, chain piecing, and strip piecing. About the Author: Kate learned to sew clothes at the age of 12 and has sewn for herself ever since. After her twins were born in 2005, she began designing soft toys for them, which led to selling her toy creations as a way to stay sane while her babies were little. Soon she began selling patterns for the toys and quilts she was making. She's never met a fiber craft she didn't like, and when she isn't sewing she likes knitting and spinning. Kate lives in the southwest of Western Australia with her husband and four girls.
