High Quality Coloring Book for Adults By Katie Williams I have been a fan of Subversive Cross Stitch for the last year to help me chill out when life is tough. The coloring book is great for the times when I need to relax, but my fingers are too tired to stitch. The quality is great. The paper is thick enough that I could take out any page for display. I would definitely buy this again. 1 of 1 people found the following review helpful. Five Stars By Shawn Mack terrific, as Julie Jackson always is! 1 of 1 people found the following review helpful. About the Author In 2003, Julie Jackson created Subversive Cross Stitch, a bedrock of the modern craft movement that pairs old-fashioned samplers with snarky sentiments. She has authored two cross stitch books: "Subversive Cross Stitch: 50 F*cking Clever Designs For Your Sassy Side" (powerHouse Books, 2015) and "Subversive Cross Stitch: 33 Designs for Your Surly Side" (Chronicle Books, 2006), which was reprinted in a Dutch version in 2009. Her kits, cards, and other gift items bearing Subversive designs can be found online and in retail stores around the world. Kits, supplies, advice, and hundreds of PDF patterns can be found on her site, subversivecrossstitch.com. Julie also created Kitty Wigs, an early contender in the online world of cat memes. Kitty Wigs has been featured in fashion layouts for Harper's Bazaar Japan and CosmoGirl; and on CNN's Anderson Cooper 360 and BBC's Graham Norton. Her book "Glamourpuss: The Enchanting World of Kitty Wigs", has been seen in People magazine, on Good Morning America, The Tonight Show, and even in the National Enquirer. The book is available in several languages and as a digital version. Julie is a former columnist for Craft magazine, and a long-time copywriter/brainstormer for the kooky folks at Blue Q.
