JBW Designs : Sweet Nothings for Baby (Leisure Arts #5335) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sweet Nothings for Baby (Leisure Arts #5335):

Every baby deserves to have a sweet memento of his or her childhood. With these seven cross stitch designs by Judy Whitman, you can create something both mother and child will cherish for years to come. Fashion a framed piece, a christening album sleeve, or a pillow. For quick gifts, you can also work just a section of the charted designs on adorable little bibs. Special elements such as buttons, charms, and crystal embellishments add delicate dimension to the simple stitches. Any of these gifts is sure to become a beloved keepsake! Designs include Welcome Baby; A Star Is Born; The Bunny Hop; Special Blessings; Noah's Ark; Learning to Count; and Choo Choo Train.

About the Author Designer Judy Whitman has a background in elementary education. "My company is JBW Designs, which has evolved over the years," Judy says. "It was first established with the goal of producing teaching samplers for needlepoint shops. The first cross stitch designs had quilting themes. Eventually, a new smaller size format was developed and named 'Sweet Nothings.' I wanted the name to evoke a simple elegance and yet offer patterns that appeal to many age groups." Judy has produced more than 250 designs for publications, magazines, and class projects. She started her business at home so she could raise her two children. Now, she shares her love of stitching with her six grandchildren.
