Some are hard but there's some easy ones for beginners too. Just a lovely Christmas cross stitch book .4 of 4 people found the following review helpful. A rose is a rose...By dlhIf you're looking for nostalgic, beautiful cross stitch designs of roses and various flowers, this is the book for you.Designs are geared more to the Victorian era, but are beautiful, and just as usable today.Book is definately worth the price.0 of 0 people found the following review helpful.
