Covers every aspect from the basics to preparing your loom. The projects take you through all of the weaving techniques with additional chapters on color, hatching, design variations and more. There is a chapter on finishing, mounting, and tapestry care. Chapter on planning and preparing cartoons as well as a quick reference guide to techniques. Plenty of photos as well as clear diagrams, I had my book spiral bound for easy use. I can turn to the page I need and it lays flat.2 of 2 people found the following review helpful. Better than I expected.By OctaviaThis is a wonderful book for teaching yourself tapestry weaving. It has great step by step instructions for many, many different techniques. There are patterns and lesson plans for seven different projects. I am sure if I just follow the lessons through the book, I will be ready to create and weave

my own patterns. 2 of 2 people found the following review helpful. Nice introduction to Tapestry Weaving - needs to be updated to color photographs

A very thorough guide to starting Tapestry Weaving. I have completed one sampler and it turned out great. The instructions are very clear and the text easy to follow. This would be a five star if the pictures were in color.

It's easy to learn tapestry weaving from start to finish with Nancy Harvey, one of America's best-known teachers of this exciting craft. Using the same clear step-by-step approach that makes her workshops so successful, Nancy leads you through building a simple frame loom, to mastering the basic techniques, to completing handsome pieces based on her designs. She even provides tips on how to prepare designs of your own. In this book, you will find: Beginning and intermediate samplers to help you learn the basics
Hundreds of highlighted tips for weavers of all levels of experience
Six practice designs for building skills
Ideas inspiring your own designs, even if you "can't draw"
Over 380 illustrations and photographs
With hundreds of diagrams, tips, and tapestry designs, *Tapestry Weaving: A Comprehensive Study Guide* is essential reading for tapestry artists and handweavers alike.
