Lyn Morton : Tatting Jewellery before purchasing it in order to gage whether or not it would be worth my time, and all praised Tatting Jewellery:

0 of 0 people found the following review helpful. Timely and ExcellentBy L.EvansGreat condition exactly what I expected!0 of 0 people found the following review helpful. More show than substanceBy srarbackThe book is presented using full-page closeups of the jewelry, sometimes using several pages just to show the jewelry. Whlie this is pretty, the print describing how to make the jewelry is tiny and hard to read. The shapes of the jewelry are not interesting enough to merit the many pages of large photos. All the beads in a piece seem to be the same size, which takes away from the interest of the shape. I think one could learn more from "Tatted Jewelry" by Marilee Rockley.1 of 1 people found the following review helpful. Cool DesignsBy MoonThe book is great for the experenced tatter, however as the name suggestest the book is a jewellery making book.It would be great if more visual instructions were included.I advise who ever buys this book either be an experenced tatter or buys a simplyfied how to tatting book with it to help go through the patterens.

A surprising and inventive take on tatting, one of the oldest forms of lace making.This detailed guide offers dozens of

patterns for using metallic threads, vibrant beads, and inexpensive jewelry fittings to create fantastic necklaces, bracelets, pendants, and earrings in intricate filigree designs. Readers can customize the results by choosing the colors and threads they like best to produce one-of-a-kind accessories that will complement any outfit. It's a feast of inspired, fashion-conscious ideas for everyone from beginners to experienced and dedicated tatters.

About the AuthorLyn Morton is an expert tatter with over 40 years of experience. She runs her own online company through which she sells numerous, high-quality designs. Lyn is also a popular and enthusiastic teacher in the UK and the USA, as well as an enthusiastic member of the Ring of Tatters, a worldwide organisation for the craft.
