Mama[[VIDEOID:12b3bda8d58fc02e558de97be6a5d4ee]] This is a beautiful book. I love that this book uses cream colored paper. This was written by Anna, Sarah's teen daughter. I think that it makes it that much more special for our teens because someone their age wrote it. There are pages for you daughter to write prayers, there is scripture to read, coloring, and much more. Please watch my video to peek inside. I purchased this book directly from the publisher. 4 of 4 people found the following review helpful. it's so pretty and I can see my beautiful prayer topics every ...By AllieThrilled with this journal and I'm only 3 pages in. I have often struggled with quieting my brain during devotion and prayer while waiting for answers. The coloring activities allow me time to do just that... quiet my head and heart and listen. Bonus: it's so pretty and I can see my beautiful prayer topics every time I open it up.
