Four Stars By Nancy Blackstock lovely and different bears to knit 1 of 1 people found the following review helpful. Bears that once you make them will be treasured for lifetime. By Susan D This is one book where the title completely and utterly describes the book. This book is jam packed full of ten different teddy bears and all the accessories that go along with them. There is something so special about making something handmade for a family member or friend. Being able to give someone a gift that shows your love for them. I love the fact that each bear has their own look and the outfits that make their character even clearer. The patterns

are in a written format. These patterns are located at the start of the book, including all the patterns for the accessories. The 2nd half of the book is all the hints and tips you will need to make up your bear. All the techniques are shown including the stitches you will use. This is a special book with beautiful projects in it. The bears would make amazing gifts and I am sure they would be treasured for a life time. I received this book to review. However all opinions expressed are my own. No monies were exchanged.

Almost everybody has a happy memory of a beloved teddy bear from their childhood. Now readers can create a world of new memories for someone special with a handmade, gloriously detailed teddy bear. They can even create a collection of fun, mix-and-match bear necessities that will give each of their creations their own unique style and charm. In *Ten Adorable Teddy Bears to Knit*, knitting enthusiasts will find: 10 bears to handcraft from detailed patterns, with suggested yarn to use, needle size, finished measurements, and more. A collection of 15 accessory patterns to knit for the bears that can be mixed-and-matched, including a hat, scarf, cardigan, and more. Accessories such as a cable knit sweater and a seed stitch bear-sized backpack introduce new skills to beginners and more challenges to advanced knitters. Tips and advice on core techniques for assembling and finishing the bears, including how to stuff the bear evenly, embroidering bear faces, embellishment techniques for clothes and accessories, how to seam pieces together for a natural look, and more. With patterns that are perfect for beginning and advanced knitters, readers will find everything they need to make beautiful, handcrafted teddy bears.
