**Teresa Wentzler, Leisure Arts : Teresa Wentzler's Egyptian Sampler (Leisure Arts #3282)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Teresa Wentzler's Egyptian Sampler (Leisure Arts #3282):

By Chicago Mermaid Teresa Wentzler has stopped publishing her designs and I was so disappointed I had never bought this pattern. When I saw had it, I ordered immediately, and so should you because once this is all bought up there will be no more ! If you love Egypt and Cross Stitching this is for you!! Teresa Wentzler's patterns have blended thread (one color is two different colors thread) so when it is done it is like an old fashioned tapestry. She also uses a lot of specialty stitches. Sometimes that does take more time to do but the effect is well worth the time and effort. Everything that you would find on the wall of an Egyptian tomb is in this pattern. 3 of 3 people found the following review helpful. Difficult BUT

Awesome!By K.T.The title says it all! It was difficult I stitched this in my spare time but it took me a good solid 6-9 months to finish but when I did I got LOTS of wonderful comments on it! Make no mistake Teresa Wentzler makes some complicated patterns and this is one of those but if you have the patience then it will make a very rewarding completed project!2 of 2 people found the following review helpful. Needlecraft FiendBy Bobbye G. JohnsonThe leaflet is beautifully put together. The instructions are clear and the graphs are beautiful. The finished product is wonderful. The individual motifs can also be used in other areas of needlework. For instance, as a rug border, or as a beaded necklace. Just beautiful.

Teresa Wentzler fans will love this stunning cross stitch piece featuring images and icons of Egyptian gods and goddesses. This challenging but rewarding cross stitch project comes with full-size chart and color photography of the finished piece.
