Jenny Bradford : Textured Embroidery (Milner Craft) before purchasing it in order to gage whether or not it would be worth my time, and all praised Textured Embroidery (Milner Craft):

1 of 1 people found the following review helpful. A Book for All Brazilian EmbroidersBy Sandra CollinsAbsolutely thrilled to have this book!! so many genuine and rare ideas, all made to do easily.6 of 7 people found the following review helpful. A small treasure.By Sheila AryThis book is exactly what the title says. It gives us concise but clear instructions for expanding our skills above the surface of our cloth to beautify our work..8 of 10 people found the following review helpful. textured embroideryBy quilting catthis book is just full of ideas breath taking designs. you just can't go wrong with this book. Had this book ages ago, but lost it, so had to have another one

An entire new repertoire of stitches and flowers (taking advantage of a variety of threads) to create beautiful textured designs on everything from miniature pieces of jewelry to blankets and fabric boxes.
