**Neil G. Bauman : The Agony of Meniere's Disease (3rd Edition): Please Make My World Stop Spinning!** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Agony of Meniere's Disease (3rd Edition): Please Make My World Stop Spinning!:

1 of 1 people found the following review helpful. Terrific helpBy Daphne M. MatthewsI bought this book because I have recently been diagnosed with Meniere's Disease. This was a great help in explaining what is going on and what I can do to help myself! Read it in full within a few hours.0 of 1 people found the following review helpful. good book to understand moreBy anigood book to understand deeply of the meniere's disease . i myself used to suffer from this disease about 8 years.1 of 1 people found the following review helpful. something to learnBy cdIt was helpful in many ways. After reading everything I can on menieres I always learn something different. This would have been a good book to start with.

Menieres disease is one of the more incapacitating things you can experience. If you suffer from your world spinning and have a fluctuating hearing loss together with noises in your ears, this book is for you. It explains what is known about Menieres, its causes and the best treatments available today. There are lots of hints that you can try out for yourself to reduce or eliminate the effects of Menieres disease. Since everyone is different, see what works for you.
