Anneliese Ott : The Art of Dried and Scented Flowers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Dried and Scented Flowers:

Explaining how to make presents and decorations using dried flowers, this guide provides hints and simple guidelines. It includes notes on how to gather, store and preserve dried flowers, ideas for flower pendants, table decorations, scented wreaths and long-lasting garlands, plus special-occasion suggestions such as a spice bouquet wedding gift of cloves, nuts, berries and velvet ribbons.
