Kevyn Aucoin : The Art of Makeup before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Art of Makeup:

1 of 1 people found the following review helpful. Beautiful Japanese fiction. By Derek Young Rich and haunting love story. 0 of 0 people found the following review helpful. Okay. By Brooklyn Wichmann It was a fast read and had its good moments. But for the most part it left me confused. I knew that Shimamura loved both Somako and Yoko but the end killed it for me. 0 of 0 people found the following review helpful. An experience live with you until you die... By Sethu Manakat First time reading Kawabata and is completely blown away by his very delicate but brutal handling of human emotions. A master craftsman's great creation.

Kevyn Aucoin partners with the industry's greatest talents to create an exquisite, star-studded collection of portraits, and reveals some timeless beauty tips that helped earn him his super-status in the fashion industry. It's a visual feast as

supermodels and celebrities such as Susan Sarandon, Jessica Lange, Grace Jones, Christie Brinkley and Janet Jackson, to name a few, are exquisitely made up by Aucoin and photographed by the world's most famous photographers, including Richard Avedon, Patrick Demarchelier, Steven Meisel, Michael Thompson and Peter Lindbergh. *The Art of Makeup* includes an introduction by Linda Wells, editor of *Allure*, and essays by Donna Karan, Cindy Crawford, Polly Mellen and Liza Minnelli that discuss Aucoin's talent, his incredible rise in his field and what he's like to work with. It also features tips to help women achieve the Aucoin look. Through step-by-step instructions, sample makeovers and an explanation of the 10 most common beauty mistakes and the four basic makeup combinations, Aucoin helps women accentuate their positive features, enhance their beauty and look and feel their best. Elegant and instructional, this book is a celebration of beauty and a remarkable showcase of the talents of a man who has defined the look of the '90s.

About the Author Kevyn Aucoin came to New York in 1983 and less than a year later was booked with Steven Meisel for his first *Vogue* cover. He has more covers to his credit than any other makeup artist, and is the recipient of the first-ever CFDA (Council of Fashion Designers of America) Award for makeup artistry. He lives in New York City.
