It's the best book I've seen on pebble mosaics and this time it's going into my personal library instead of to another owner. The Art of Pebble Mosaics tells you how to do it, shows you how to do it, shows your lots of examples of how it's done and provides pages and pages of photos for you to drool over. If you are thinking of trying garden mosaics, start here. 4 of 4 people found the following review helpful. Mosaics for dummies. By sundancer This book is very well written for first timers trying out mosaics. Nice easy instructions and pictures. 0 of 0 people found the following review helpful. This lady is such a great artist. By Customer This lady is such a great artist... I enjoy reading the book and dreaming about doing a mosaic of my own

For those who would like to add interest to their garden by creating delightful pebble mosaics on paths, patios and steps, Maggy Howarth shows all the techniques involved.
