From Brand: Timber Press, Incorporated : The Bernard E. Harkness Seedlist Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bernard E. Harkness Seedlist Handbook:

The classic handbook for plants found on the seed exchange lists of the Alpine Garden Society, the Scottish Rock

Garden Society, and the North American Rock Garden Society. It offers hardiness, habit, size, flower color, and habitat data in a compact format.
