Lark Crafts : The Best of 500 Ceramics: Celebrating a Decade in Clay (500 Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best of 500 Ceramics: Celebrating a Decade in Clay (500 Series):

0 of 0 people found the following review helpful. Great book for potters and ceramic inspiration!By Grace H.This book is super cool. I love the quality of the pictures and the explanations of each piece--short and concise. The book offers a great variety of styles, techniques, glaze colors, etc. It's just really fun to look at and can be picked up at any time for a glimpse of inspiration.0 of 0 people found the following review helpful. Wonderful book for people interested in ceramicsBy Matt WallerIt is smaller than a normal sized coffee table book, but has wonderful pictures. It has lots of different types of ceramics that are interesting to look at, and it would give inspiration to anyone who makes pottery. gave this book as a gift, and even I enjoyed flipping through the book on christmas.0 of 0 people found the following review helpful. A-1By ChascoppAs usual this 500 series ceramic book is well illustrated, captioned and a delight to look at. My students and I use it as a reference all the time.

This definitive collection features a decade's worth of memorable ceramic pieces selected from the prestigious and bestselling 500 series. Juried by a roster of acclaimed artists, including such talents as Cynthia Consentino, Beth Cavener Stichter, Richard Notkin, and Sergei Isupov, each piece captures the power of ceramics at the start of a new century. Ceramicists and art enthusiasts alike will treasure the wealth of knowledge offered in this lavishly illustrated

keepsake volume as the experts describe what makes a particular vase, teapot, sculpture, or bowl stand out.
