From Interweave : The Best Of Jane Austen Knits: 27 Regency-Inspired Designs before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Best Of Jane Austen Knits: 27 Regency-Inspired Designs:

7 of 7 people found the following review helpful. Nice book, easy patterns, By Mr Matthew E Palmer Good range of knitting patterns. My wife and 11 year old daughter are both knitting patterns from this book at the same time. So good for beginner knitters and more advanced. 1 of 1 people found the following review helpful. Modern Spin on Regency Romanced By Charlene M. Carnaghi As a big fan of Jane Austen's work, A historian of the period I have enjoyed the "spin" on some of the modernization of the era. I respect the designers and the designs. It's not easy to capture the feeling and still make it practical for today's taste. Well done! LOL! 0 of 0 people found the following review helpful. Inspiring and nice patterns By Darlene Reilley I am inspired each time I visit the book and the gloves I created are fantastic.

What would Jane Austen knit? Enter the world of Jane Austen through timeless knitting patterns inspired by the places

and characters in her beloved novels. Designers including Susanna IC, Vicki Square, Annie Modesitt, Heather Zoppetti, Karen Joan Raz, and Kathleen Dames have translated their love for Jane Austen's novels into a stunning tribute to the beloved author. The gorgeously evocative pieces include cardigans, knitted shawls, bags and other accessories, and knitted projects for men and children. While the knitting projects are inspired by the fashions of the regency era, they are every bit as relevant today. Knitters obsessed with Jane Austen as well as stitchers just looking for wonderfully appealing projects will fall in love with the beautiful knitting designs. Essays on fascinating aspects of Austen's life and the regency era round out this inspiring collection. Topics include the places where Austen lived, knitting in Regency England, the yarns available to Austen and her contemporaries, and dressmaking during the time period.

"Not only are the patterns super classy, they are interspersed with articles about the history of knitting around Jane Austen's era." --Brown Sheep Yarn
